This work by Gunta Stözl was originally created on paper at the Bauhaus in the 1920's. Stözl is known for her textiles as well as being the first female master at the Bauhaus and mentor to Anni Albers.

This design is produced from original artwork held in the private collection of Gunta Stözl's family.

All rugs are produced with the relevant institution estate or artist, closely involved in the whole process to ensure that the end result is as faithful to the original work as possible, the same as producing a limited edition print.

These rugs are held in stock and ready for immediate purchase.
