

## TESSELATION

MICHAEL YOUNG

### SIZE

1.75m diameter

### WEAVE

Hand tufted

### MATERIALS

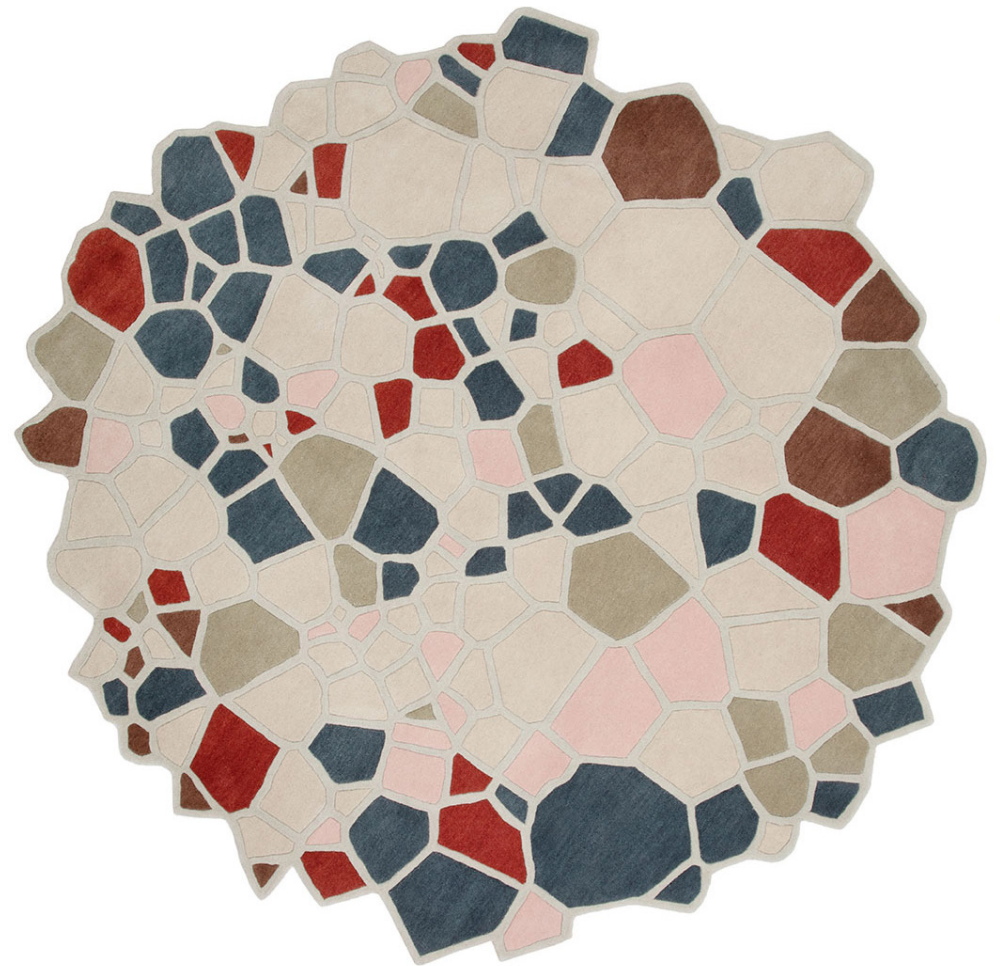

Millspun Wool

---

The design is configured through Young's experimentation with a voronoi pattern. This motif is found in nature - where it is perhaps most instantly recognisable as the pattern of a giraffe's skin - as well as in science and mathematics. It celebrates Young's interest in playing with shape and form and his expertise in combining technology with craft.

These rugs are held in stock and ready for immediate purchase.
